RULES OF PROFESSIONAL CONDUCT
OF
FLORIDA STATE BOARD OF ACCOUNTANCY

Chapter 1
RELATIONS WITH CLIENTS AND PUBLIC

21A-1.01 Independence
21A-1.02 Discreditable Acts
21A-1.03 Confidential Relationships
21A-1.04 Contingent Fees
21A-1.05 Fraud
21A-1.06 Former Government Employees
21A-1.07 Action by Another State
21A-1.08 Employing Felons, Etc.

21A-1.01 Independence

(1) A Certified Public Accountant or Public Accountant or a partnership or professional service corporation of which he is a partner or stockholder shall not express an opinion on financial statements of any enterprise unless he and his firm or professional service corporation are in fact independent with respect to such enterprise.

(2) Independence is not susceptible of precise definition, but is an expression of the professional integrity of the individual. A Certified Public Accountant or Public Accountant, before expressing his opinion on financial statements, has the responsibility of assessing his relationships, including any debtor and creditor relationships, with an enterprise to determine whether, in the circumstances, he might expect his opinion to be considered independent, objective and unbiased by one who had knowledge of all facts.

(3) A Certified Public Accountant or Public Accountant will be considered not independent, for example, with respect to any enterprise if he, or his spouse or minor child living in the same household, or one of his partners or costockholders (a) during the period of his professional engagement or at the time of expressing his opinion, had, or was committed to acquire, any direct financial interest or material indirect financial interest in the enterprise, or (b) during the period of his professional engagement, at the time of expressing his opinion or during the period covered by the financial statements, was connected with the enterprise as a promoter, underwriter, voting trustee, director, officer or key employee. In cases where a Certified Public Accountant or Public Accountant ceases to be the independent accountant for an enterprise and is subsequently called upon to re-express a previously expressed opinion on financial statements, the phrase "at the time of expressing his opinion" refers only to the time at which the Certified Public Accountant or Public Accountant first expressed his opinion on the financial statements in question. The word "Director" is not intended to apply to a connection in such a capacity with a charitable, religious, civic or other similar type of non-profit organization when the duties performed in such a capacity are such as to make it clear that the Certified Public Accountant or Public Accoun-

tant can express an independent opinion on the financial statements. The example cited in this paragraph, of circumstances, under which a Certified Public Accountant or Public Accountant will be considered not independent, is not intended to be all-inclusive.
General Authority 473.04 F.S. Law Implemented 473.04 F.S.

21A-1.02 **Discreditable Acts**

A Certified Public Accountant or Public Accountant shall not commit an act discreditable to the profession.

21A-1.03 **Confidential Relationships**

A Certified Public Accountant or Public Accountant shall not violate the confidential relationship between himself and his client.

21A-1.04 **Contingent Fees**

Professional service shall not be rendered or offered for a fee which shall be contingent upon the findings or results of such service. This rule does not apply to cases involving federal, state, or other taxes, in which the findings are those of the tax authorities and not those of the accountant. Fees to be fixed by courts or other public authorities, which are therefore of an indeterminate amount at the time when an engagement is undertaken, are not regarded as contingent fees within the meaning of this rule.

21A-1.05 **Fraud**

Any Certified Public Accountant or Public Accountant who has been found guilty of fraud or an attempt to defraud by any court or commission, committee or other tribunal established by law or who knowingly and willfully renders or participates in the preparation of a false or fraudulent report or tax return or who expresses or disclaims an opinion on financial statements known to be false or fraudulent without clearly indicating that they are false or fraudulent is deemed guilty of unethical practice.
General Authority 473.25 F.S. Law Implemented 473.25 F.S.

21A-1.06 **Former Government Employees**

Any Certified Public Accountant or Public Accountant who accepts or takes part in any engagement, either on his or her own account, or as a member or stockholder of a partnership, professional service corporation or other organization, or as the employee of a Certified Public Accountant or Public Accountant involving any matters which give rise to a conflict of interests, with which the said Certified Public Accountant or Public Accountant has had prior contact as an employee of the United States Government or political subdivision thereof, is deemed guilty of unethical practice.
General Authority 473.04 F.S. Law Implemented 473.04 F.S.

21A-1.07 **Action by Another State**

In case of suspension or revocation, for misconduct, of a certificate as Certified Public Accountant or Chartered Accountant issued by another state or political subdivision of the United States, or by a foreign country, which certificate was used by this Board as a basis for issuance of a reciprocal certificate pursuant to

Section 473.20, Florida Statutes, or any prior law, such suspension or revocation shall be grounds for revocation of the reciprocal certificate issued by the Board: General Authority 473.20(3) F.S. Law Implemented 473.20(3) F.S.

21A-1.08 **Employing Felons, Etc.**

Any Certified Public Accountant or Public Accountant who knowingly hires anyone or has anyone in his employ who has had his certificate revoked by the State Board of Accountancy, or has been disbarred by the Treasury Department or has been convicted of a felony and has not been restored to his civil rights, is guilty of unethical practice.

Chapter 2
TECHNICAL STANDARDS

21A-2.01 Examination of Financial Statements
21A-2.02 Content and Basis of Opinion
21A-2.03 Expressing or Disclaiming Opinions
21A-2.04 Estimates of Earnings

21A-2.01 **Examination of Financial Statements**

A Certified Public Accountant or Public Accountant shall not express his opinion on financial statements unless they have been examined by him, or by a member, stockholder or employee of his partnership or professional service corporation on a basis consistent with the requirements of Rule 21A-2.02. In obtaining sufficient information to warrant expressions of an opinion he may rely, in part, to the extent appropriate in the circumstances, on reports or other evidence of auditing work performed by another person who is licensed to practice as a Certified Public Accountant in a state or territory of the United States, or the District of Columbia, or as a Public Accountant in Florida, or performed by a firm at least one member of which is so licensed. In relying on the work of independent Public Accountants in foreign countries, the Certified Public Accountant or Public Accountant so relying must satisfy himself that the person or firm is qualified (and properly licensed where applicable) and that such work is performed in accordance with generally accepted auditing standards prevailing in this country. General Authority 473.04 F.S. Law Implemented 473.04 F.S.

21A-2.02 **Content and Basis of Opinion**

In expressing an opinion on representations in financial statements which he has examined, a Certified Public Accountant or Public Accountant shall be held guilty of unethical practice, if:

(a) he fails to disclose a material fact known to him which is not disclosed in the financial statements but disclosure of which is necessary to make the financial statements not misleading; or

(b) he fails to report any material misstatement known to him to appear in the financial statements; or

(c) he is materially negligent in the conduct of his examination or in making his report thereon; or

(d) he fails to acquire sufficient information to warrant expression of an

opinion, or his exceptions are sufficiently material to negative the expression of an opinion; or

(e) he fails to direct attention to any material departure from generally accepted accounting principles or to disclose any material omission of generally accepted auditing procedure applicable in the circumstances.

21A-2.03 **Expressing or Disclaiming Opinions**

A Certified Public Accountant or Public Accountant shall not permit his name to be associated with statements purporting to show financial position or results of operations in such a manner as to imply that he is acting as an independent public accountant unless he shall:

(a) express an unqualified opinion; or

(b) express a qualified opinion; or

(c) express an adverse opinion; or

(d) disclaim an opinion on the statements taken as a whole and indicate clearly his reasons therefor; or

(e) when unaudited financial statements are presented on his stationery without his comments, disclose prominently on each page of the financial statements that they were not audited.

General Authority 473.04 F.S. Law Implemented 473.04 F.S.

21A-2.04 **Estimates of Earnings**

A Certified Public Accountant or Public Accountant shall not permit his name to be used in conjunction with an estimate of earnings contingent upon future transactions in a manner which may lead to the belief that the Certified Public Accountant or Public Accountant vouches for the accuracy of the forecast.

Chapter 3
PROMOTIONAL PRACTICES

21A-3.02 Bidding
21A-3.03 Commissions, Etc.

21A-3.01 **Solicitation**

(2) No out of state practitioner practicing public accounting in Florida under Sections 473.13 or 473.24, Florida Statutes, shall hold memberships in associations of specific industries domiciled in this State or regularly attend meetings of such associations unless such memberships or attendance of meetings is unrelated to his practice as a Certified Public Accountant, Public Accountant or Chartered Accountant in this State. Out of state practitioners practicing public accounting in Florida under Sections 473.13 or 473.24, Florida Statutes, shall provide the

21A-3.02 **Bidding**

(1) A Certified Public Accountant or Public Accountant shall not make a competitive bid for a professional engagement. Competitive bidding for public accounting services is not in the public interest, is a form of solicitation and is unprofessional.

(2) As used in this rule, "competitive bid" means the submission of an offer to a prospective client, as distinguished from an existing client, or representative thereof by a Certified Public Accountant or Public Accountant or firm or professional service corporation thereof, either orally or in writing, directly or indirectly, to perform a professional engagement for an estimated fee, a fixed fee, or basis of fee as defined in this rule, when the surrounding facts and circumstances indicate that another firm, professional service corporation or person will be asked to make an offer, has been asked to make an offer, or has made an offer which has not been rejected, to perform the same professional engagement for an estimated fee, a fixed fee or basis of fee as defined in this rule.

(3) The term "professional engagement" as used in this rule means an engagement for the performance of any professional services which may be performed by a Certified Public Accountant, Public Accountant or firm or professional service corporation thereof.

(4) The term "basis of fee" as used in this rule means a quotation of range of fee by minimum and maximum amounts, a quotation of rates on a time basis, or any formula from which a money amount may be computed as an indicated basis of determining the actual or estimated fee.

(5) All applications for special permits required by Section 473.13(1), Florida Statutes, shall be accompanied by a statement of the applicant, or if it is a partnership or a professional service corporation, by a partner or stockholder of the

applicant, to the effect that the current contract for the public accounting services to be performed in Florida was not obtained by competitive bid as defined by this rule.

(6) No Florida practitioner who is an agent for an out of state practitioner as provided in Section 473.24, Florida Statutes, shall perform public accounting services in the State, the contract for which was obtained by such out of state practitioner, unless he has ascertained with reasonable certainty that the current contract for such services was not obtained by competitive bid as defined by this rule.

(7) No Florida practitioner who has a permanent or continuing correspondent relationship with an out of state practitioner shall perform public accounting services in the State for such out of state practitioner, unless he has ascertained with reasonable certainty that the current contract for such services was not obtained by competitive bid as defined by this rule.

21A-3.03 **Commissions, Etc.**

21A-10.03 **Criteria for Determining Legality of Correspondent Relationship.**

Whether a person is an agent or an independent contractor for another depends on the facts and circumstances relating to the formation of the relationship and the carrying on of the work, rather than the denomination attributed to the relationship by the parties. If the facts and circumstances indicate that the purpose of the relationship was or is to enable persons not holders of Florida certificates to carry on a full time practice of public accounting in this State through a Florida correspondent without compling with the provisions of Section 473.24, Florida Statutes, the relationship will be regarded as unlawful. If by the terms of an express agreement a party to a correspondent relationship not holding a Florida certificate is entitled to exercise control over the policies or operations of the Florida correspondent or if in

the carrying on of the work the party not holding a Florida certificate does in fact exercise control over the policies and operations of the Florida correspondent, the Florida correspondent will be regarded as an agent rather than as an independent contractor. In determining whether the purpose of the relationship is unlawful and whether the relationship is one of agency or of independent contractor, consideration will be given to the following:

(1) The financial interest, if any, of one correspondent, or some member thereof, in the business or assets of the other.

(2) The financial obligation, if any, by one correspondent, or by one or more members thereof, to the other correspondent, or some one or more members thereof.

(3) The arrangement for compensation for work undertaken by one correspondent for the other or for the other's clients, e.g., whether on a time basis, flat fee basis, percentage basis or otherwise; whether profits or losses are to be shared, etc.

(4) The existence or non-existence of an obligation by either party to forward business to the other.

(5) The frequency of forwarding business by one party to the other and the volume and extent of the business forwarded as bearing upon the possible dependency of one party upon the other.

(6) The existence or non-existence of a partnership relationship between the Florida correspondent or one or more members thereof, and the non-resident correspondent, or one or more members thereof.

(7) All other facts and circumstances bearing upon the purpose of the relationship or the degree of control that either party may exercise or be entitled to exercise over the politices or operations of the other.

21A-10.04 **Notification of Board of Correspondent Relationships.**

Every Florida practitioner who is presently a party to or who shall hereafter enter into a permanent or continuing correspondent relationship with any out of state practitioner shall promptly notify the Board of such relationship and furnish the Board with a copy of the documents evidencing such relationship and, in cases where such relationship is not evidenced by a written agreement, shall furnish the Board with a written statement summarizing the details of the relationship. Every such practitioner shall also furnish the Board a statement of the facts relating to the factors referred to in Rule 21A-10.03(1)-(7) and such additional information as may be requested by the Board. Every such practitioner shall promptly notify the Board of any modification in the relationship with respect to which previous notice has been given, at the same time furnishing the Board with a copy of the documents evidencing such modification and, in cases wherein modification is not evidenced by writing, shall furnish the Board with a written statement summarizing the details of the modification.

21A-12.03 **Pleadings and Prehearing Procedures.**

(1) Pleadings shall consist of the complaint and the answer. An application for an order shall be by motion.

(2) All proceedings shall be styled "State Board of Accountancy, Complainant, v. (name of respondent or respondents), Respondent(s)".

(3) A complaint may embrace any number of charges against one respondent and charges may be against any number of respondents if they are alleged to have participated in the same act or transaction or the same series of acts or transactions constituting the charge or charges, but a severance may be ordered when the ends of justice require it.

(4) Pleadings and motions shall be filed in triplicate with the executive director of the Board. When a complaint is filed, the executive director shall give it a docket number and the answer and motions thereafter filed in the case shall refer to such docket number.

(a) At the time the complaint is filed, a copy thereof shall be mailed, under the direction of the Board, by registered mail or certified mail, return receipt requested, to the respondent at his address as shown upon the records of the Board; and with such copy of the complaint there shall be transmitted a notice that a hearing thereon will be had at a time and place to be specified, not less than thirty (30) days after the mailing of such notice. The notice of hearing shall state the legal authority and jurisdiction under which the hearing is to be held.

(b) The answer and every other paper filed in the case, except applications for witness subpoenas, shall be served on each party. Service shall be made by delivery of a copy of the document to be served to the party or his attorney or by mailing it to him at his last known address. Delivery of a copy within this rule shall mean: handing it to the attorney or to the party; or, leaving it at his office with his secretary or other person in charge thereof; or, if there is no one in charge, leaving it in a conspicuous place therein; or, if the office is closed or the person to be served has no office, leaving it at his usual place of abode with some person of his family above fifteen (15) years of age and informing such person of the contents thereof. Service by mail shall be deemed complete upon mailing. When an attorney makes the service, a certificate of service conforming to that required by the Florida Rules of Civil Procedure shall be taken as prima facie proof of such service in compliance with these rules.

(5) Respondent shall answer the complaint, incorporating all defenses and admitting, denying or stating he is without knowledge of each allegation of the complaint and as a part thereof may challenge the sufficiency of the complaint and the jurisdiction of the Board. No defenses are to be raised by motion. The answer must be filed within twenty (20) days after receipt of a copy of the complaint by him, unless the time for filing pleadings is extended by the chairman or secretary of the Board. Upon the failure of the respondent to file a timely answer, the allegations of the complaint shall be deemed admitted and the Board may take the appropriate action.

(6) The parties have the right to take depositions and to the production of documents and things in accordance with Rules 1.280, 1.290, 1.300, 1.310, 1.320, 1.330, 1.350, 1.380, 1.390 and 1.400 of the Florida Rules of Civil Procedure.
